Fall 2021 Update

Greetings members,

I hope this letter finds you in good health and spirits. Waumandee State Bank is thankful for each and every one of our customers.

I would like to take this opportunity to introduce myself. My name is Phillip Pronschinske and I've been with Waumandee State Bank since 2016. In September of this year, I was fortunate enough to be promoted to the Marketing Director position for our bank. As such, I will be overseeing our Golden Rewards Club promotions and events from this point on.

As you may have guessed, the extended absence of newsletters, events, and updates for our Golden Rewards Club has been due to the unfortunate realities of the COVID-19 pandemic. Our normal events have been on hold since March 2020 in the interest of customer and employee safety. With things slowly returning to normal, we thought it best to send out a newsletter to explain where we're at.

In the time since our last newsletter, our bank was given the opportunity to expand. Waumandee State Bank acquired Union Bank of Blair in August of 2020. With this acquisition, an eighth branch location was added. Waumandee State Bank has now grown to serve more customers than ever before. We would like to extend a special welcome to all those Golden Rewards Club members who are joining us courtesy of these existing relationships in Blair.

In addition, we would like to recognize Donna Rotering, who has been with Waumandee State Bank since 2003. She has served as Marketing Director, Retail Operations Trainer, and Golden Rewards Club Coordinator for twelve years. She has done a wonderful job in her time with the bank and we wish her the best in her retirement near the end of 2021.

I'm excited to announce we'll be hosting a seminar at our Waumandee office this November. For more details please see the backside of this newsletter. In addition, watch out for more information coming your way soon about upcoming events for next year.

I look forward to seeing many of you in person in the near future.

November 12 – Seminar Series: Medicare

Mario Racanelli

Our first return to in-person events will feature Mario Racanelli, an agent with Midwest Select Insurance group. Mario has over thirty years of experience in helping clients navigate Medicare insurance. Whether you're looking for information for the future or planning to enroll soon, Mario's presentation will provide relevant information regarding Medicare to all in attendance. Medicare open enrollment is open now through December 7th, 2021.

Mario's presentation will be held November 12 at 1:30pm at our bank's main office in Waumandee, Wisconsin. If you live further away from our main office and can't make it to this upcoming seminar, don't worry. There's always the potential for another event to be held closer to a branch near you.

In the interest of safety for all present, if you are feeling ill we ask that you not attend this upcoming seminar. Masks will be provided but not required. If you wish to wear one you are more than welcome to do so. There will be limited seating available for this seminar so if you're interested please contact Phillip Pronschinske as soon as possible via the phone number or e-mail listed below.
