

Wisconsin State Capitol Trip

October 20, 2022 - Madison

- Alma Bus Pickup Added -

Join Waumandee State Bank as our Golden Rewards Club journeys to the home of our state's government. Experience the rich history of Wisconsin as we visit its capitol city of Madison.

We'll begin the day at the Wisconsin Historical Museum. Located just across from the capitol building, it holds many pieces of Wisconsin's past. The museum features exhibits such as "Native Nations and Tribes", "Frontier Wisconsin", "First Settlers", "Laboratory of Democracy", and many more. Roam the museum freely and explore the exhibits that pique your interest most.

After our time at the museum, we'll break for a buffet lunch at the elegant Great Dane Pub & Brewing Company. The lunch buffet will include pulled pork sandwiches, brats, Wisconsin cheddar macaroni & cheese, pretzel sticks, assorted buns, cole slaw, kettle chips, and salad. Fixings and condiments for brats and sandwiches will also be available.

Following lunch, our group will take a guided tour of Wisconsin's capitol building. Learn about our capitol's design, history, and purpose first-hand as we traverse its beautiful interiors. Seating is limited so call 608-626-3131 or speak to any of our employees to reserve your spot today.

Should you need to cancel after the October 12 deadline, we are not able to guarantee a refund on your deposit.
