# Golden Rewards Club Newsletter

## January 2023

Greetings members,

As another year dawns, many of us take time to reflect. For the Golden Rewards Club the year was marked by a return to regular events. I've learned a great deal about how much time and effort these outings take to plan over the last year. As such, I would like to sincerely thank all of those who joined us for any events in 2022. Your participation made for a splendid year. Following our long pause due to the pandemic, it was reassuring to see people join us in person once again for trips, tours, and seminars. I would also like to offer a thank you to all those members who provided feedback and suggestions to me including members of our club advisory board. Members, non-members, and advisory board personnel have all been a stupendous resource to help me navigate this year.

In this newsletter, you'll find information about many of our upcoming events planned for 2023. If any of them pique your interest, be sure to reach out to me or any of our employees to sign up as soon as possible. I look forward to seeing you all again during the new year.

- Phillip Pronschinske, Marketing Director

## National Eagle Center & LARK Toys – February 10

Member: \$85.00, Non-Member: \$95.00 – Deadline: January 27

Join Waumandee State Bank for the first Golden Rewards Club trip of 2023 as we travel a short distance across the Mississippi to the Minnesota towns of Wabasha and Kellogg. Our first stop of the day will be the National Eagle Center in Wabasha. Here we'll attend a presentation put on by the center's staff that features a live eagle. Eagle Center employees work with their eagle ambassadors to promote the conservation of these majestic raptors. The center is one of the world's premier resources dedicated to educating people about these animals. Following our presentation, there will be time to explore the center's many different exhibits.

For lunch, we'll scurry back across the river for a tasty bite at J & J Barbeque in Nelson, Wisconsin. Lunch will include pulled pork, smoked brisket, mashed potatoes, gravy, and assorted vegetables.

We'll end the day with a stop at Lark Toys in Kellogg. Lark Toys is a world class store and museum featuring many toys from the past and present. Of particular note are their handmade wooden toys. With over twenty thousand square feet of fun, Lark Toys offers something for all of us who are young at

heart. Bus pickup locations are tentatively planned for Blair, Centerville, and Alma but are subject to change. You will be contacted prior to the trip with specific instructions for where and when to board the bus. Call 608-626-3131 or contact any of our employees to reserve your spot for this trip today. All tips and gratuities for this upcoming trip are included in the price shown.
